Content

Legal conflictology lays the basic theoretical and methodological foundations for improving the professional training of lawyers, develops the ability to think in special categories, which is necessary for constructive activities to establish a regime of legality and law and order in the work of state bodies, public organizations, officials and in the behavior of citizens. Such categories include the following concepts: "legal dialectical contradictions", "legal conflict", "legal formal-logical contradictions", "legislative conflict", "collision of laws", "legal conflict", "structure of legal conflict", "dynamics legal conflict", "legal conflict situation", "legal dispute", "legal conflict counter-subject", "legal conflict resolution", "legal conflict management", "legal conflict elimination", etc.
